

Power Solutions

GERMANY 1 ACQUISITION Ltd

press release

February 16, 2010

**Germany1 Acquisition Limited, parent company of AEG Power Solutions,
Announces Plans to Change the Company's Name and Registration Location**

Zwanenburg, 16 February 2010. Germany1 Acquisition Limited ("Germany1" Euronext: "GAL1 S"), the holding company of AEG Power Solutions announced today several corporate actions to clarify its status and further promote the development of the business.

Germany1 Acquisition Limited, the holding company of AEG Power Solutions has today announced several actions that affect its corporate structure and governance.

Company name change & place of domicile

The board of directors has authorized the company to submit to the shareholders a plan to migrate the country of residence of Germany1 from the Isle of Guernsey to Luxembourg and to change the name to 3W Power Holdings SA and will also use 3WP as its ticker symbol on Euronext, Amsterdam for the shares, and 3WPW for the warrants. The first of two shareholder meetings will be called to start the process.

Changes to the Board of Directors

Thomas Middelhoff has been appointed to the board of directors of the company effective immediately. Pursuant to the Articles of Association of the company, he will hold office until the next annual general meeting of the shareholders.

Corporate financial reporting calendar

The company also announces the publication of its financial reporting calendar for 2010 per the requirements of its listing on Euronext:

- 30 April 2010: Interim management statement
- 30 April 2010: Publication of annual report
- 01 June 2010: Annual shareholders meeting, Amsterdam The Netherlands
- 25 August 2010: release of half yearly 2010 financial results
- 26 October 2010: Interim management statement

About AEG Power Solutions

Since its creation more than 60 years ago, AEG Power Solutions has stood for rugged reliability and world-class engineering. Today, AEG Power Solutions offers one of the world's most comprehensive portfolios of premium power supply systems, solutions and services. Solutions and controllers from AEG Power Solutions are designed specifically to interface with utility electrical grids, providing high efficiency, customized energy solutions to industries requiring complex, intelligent power supply control.

The company employs 1,600 people in 16 countries, including more than 160 service and installation engineers, to provide comprehensive customer support and service. Renowned for engineering excellence, AEG Power Solutions holds more than 70 active patents in power conversion and benefits from more than a half century of expertise.

In addition to standard and customized UPS, the AEG Power Solutions range of industrial products and services includes DC systems for industrial applications, UPS for IT, industrial chargers, and premium power controllers for high-tech industry applications, railway solutions and solar inverters. The group also provides world-class standard and customized telecom power systems.

AEG Power Solutions was acquired on 10 September 2009 by Germany1 Acquisition Limited, which is listed on Euronext Amsterdam under the ticker symbol "GAL1 S".
